Terms & Conditions for this test report.

- Reported results are for interpretation or information to referring doctor or any such medical professionals who understand reporting units, reference ranges, technical limitations etc.
- Test results released, pertain to the specimen(s) or sample(s) submitted. It is understood that the verifications of the particulars have been carried out by the patient or his/her representative at the point of generation of the said specimen(s) or sample(s).
- All test results are dependent on the quality of specimen(s) or sample(s) received by the laboratory.
- Laboratory investigations are only a tool to facilitate arriving at a diagnosis and should be clinically correlated by your doctor.
- The test results may vary from time to time and lab to lab for the same parameters, and the same patient.
- Report delivery might be delayed due to unforeseen circumstances. It might not be possible to predict any such delays when accepting the specimen(s) or sample(s). Inconvenience is regretted.
- Certain tests might require further testing at additional cost for the derivation of exact value. Kindly submit requests within 72 hours post-reporting.
- In case of any dispute(s) concerning the test(s) or results of test(s), the courts/forum at Varanasi (UP) shall have exclusive jurisdiction.
- Test results are not valid for medico-legal purposes.
- Contact health@divith.com for all queries regarding test result(s).
